

In Summer 2018, Camp Edventure leaders and staff will “Inspire Children to Change the World.” We’ll encourage each other to develop self-reflection, global mindedness, meaningful relationships and character through service.

GLOBAL RESPECT

What does it mean to be a global or world citizen? Together we’ll discover the qualities of citizenship through exciting, activity filled days. We’ll focus both on ourselves and our relationship to the world around us in creative and adventurous ways.

FRIENDSHIP INTERCONNECT

Let’s focus on trying new things and making new friends. We’ll work together because we’re all connected. Crafts, games and activities will focus on interconnectedness, as well as tons of FUN!

COMMUNITY CONNECT

What better way to learn about the community than to be a part of the community? Gear up for a thrilling exploration into our hometown and the world afar.

ENVIRONMENTAL PROTECT

We’ll debunk the legends of our land and explore the wonders of our Earth, all the while unmasking valuable ways to protect our planet. And, let’s not forget to PLAY. Together we’ll climb, swing, slide, ride and build our own adventures.

FOOD EFFECT

Let’s break bread! Literally, we’ll try new foods, but only if you’re willing. Let’s find out what kids from our world enjoy for lunch and determine what we can do ensure all our friends receive nourishment.

GLOBAL REFLECT

We’ll become a good role model for others, take responsibility for our actions, and have compassion for others around the world. Together we’ll enjoy some of our favorite summer activities and reflect on the good times. But, most of all we’ll decide what it takes for children to continue changing the world.
